Lead Agency: Los Angeles County
Lead Agency Contact: Tyler Montgomery
Lead Agency Phone: (213) 974-6433

SUBJECT: Filing of Notice of Determination in compliance with Section 21108 of the Public Resources Code.

State Clearinghouse Number: 2014091027

Project Title: Operation of Aidlin Hills Hearst Tank & RMS - Water Supply Permit Amendment (Project)

Project Applicant: Santa Clarita Valley Water Agency

Project Location: Pico Canyon Road and Sierra Ter., 91381, 34°22'38.1"N 118°36'10.6"W

Project Description: The Applicant proposes to operate the Hearst tank and residual management system as part of their public water system to serve the Aidlin Hills development.

This is to advise that the State Water Resources Control Board (Responsible Agency) has approved the above-described Project on **November 20, 2026**, and has made the following determinations regarding the above-described Project:

1. The Project will not have a significant effect on the environment. This determination is limited to the effects within the State Water Board's permitting jurisdiction as a Responsible Agency.
2. An Environmental Impact Report was prepared for this Project pursuant to the provisions of CEQA.
3. Mitigation measures were not made a condition of the State Water Board's approval of the Project.
4. A mitigation monitoring and reporting plan/program was not adopted by the State Water Board for the Project.
5. A Statement of Overriding Considerations was not adopted by the State Water Board for the Project.
6. Findings were made by the State Water Board pursuant to California Code of Regulations Section 15091.

Records of Project approval are available to the public upon request at the State Water Board, DDW office listed above. The environmental document is available from the Lead Agency.
