SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code Section 21108.

State Clearinghouse Number (SCH No.): 2014092069

Project Title: Permit No. 19679 – I Street Bridge Replacement Project

Project Applicant: City of Sacramento

Lead Agency: City of Sacramento, Tom Buford; Project Manager; 300 Richards Blvd 3rd Floor, Sacramento, CA, 95811; 916-808-7931; tbuford@cityofsacramento.org

Project Location: The project site is located approximately 3,000 feet south of the Sacramento River and American River confluence in both Sacramento and Yolo County, in the cities of Sacramento and West Sacramento, at 38.58901°N 121.5062°W, American River Flood Control District, Maintenance Area 4, Sacramento River, Sacramento County.

Project Description: Approval of Permit No. 19679, under California Code of Regulations, Title 23, Article 3, Section 6, for work within an adopted plan of flood control: To construct a new 5-span, 848-foot-long, movable span bridge with a bridge operator house crossing the Sacramento River. Improvements include modifications to the Sacramento River left (east) bank and right (west) bank levees, installation of deep slurry cutoff wall on the west bank levee, installation and realignment of bicycle pathways, retaining walls, roadway modifications, traffic management equipment, and associated site hardscaping and landscaping, and the installation of rock slope protection along the west bank levee. To relocate an existing water tower located on the west bank levee. To demolish and remove the vehicular approaches to the existing I-Street Bridge. A temporary trestle and coffer dam will be utilized for construction.

This is to advise that the Board, as the **Responsible Agency**, approved the above-described project on March 27, 2026, and made the following determinations regarding the above-described project:

1. The project [will / will not] have a significant effect on the environment (This determination is limited to effects within the Board’s permitting jurisdiction as a responsible agency).
2. [An Environmental Impact Report (EIR) / A Mitigated Negative Declaration] was prepared by the lead agency for the original project.
3. Additional mitigation measures [were / were not] made a condition of the Board’s approval of the project.
4. A Mitigation Monitoring and Reporting Plan [was / was not] adopted by the Board for this project
5. A Statement of Overriding Considerations [was / was not] adopted by the Board for this project.
6. Findings [were / were not] made by the Board pursuant to the provisions of CEQA.

Responsible Agency Statement: The EIR, prepared by the lead agency for the project, is available to the general public at the lead agency’s office listed above. The Board’s administrative record related to the Board permit is available for public review at the Board’s office.
