**SUBJECT: Filing of Notice of Determination in compliance with Section 21108 of the Public Resources Code.**

**State Clearinghouse Number:** 2006071134

**Project Title:** East Area 1 Specific Plan Operation of Foothill East and West Tanks - Water Supply Permit Amendment (Project)

**Project Applicant:** City of Santa Paula

**Project Location:** North of the intersection of Harvest Loop and E. Santa Paula St., Santa Paula, 93060. County of Ventura.

**Project Description:** The State Water Resources Control Board is issuing subsequent discretionary approval for the project (a water supply permit amendment) and no subsequent environmental review under CEQA is necessary because there have been no changes or new information.

This is to advise that the State Water Resources Control Board (Responsible Agency) has approved the above-described Project on April 17, 2026, and has made the following determinations regarding the above-described Project:

1. The Project will not have a significant effect on the environment. This determination is limited to the effects within the State Water Board's permitting jurisdiction as a Responsible Agency.
2. An Environmental Impact Report was prepared for this Project pursuant to the provisions of CEQA.
3. Mitigation measures were not made a condition of the State Water Board's approval of the Project.
4. A mitigation monitoring and reporting plan/program was not adopted by the State Water Board for the Project.
5. A Statement of Overriding Considerations was not adopted by the State Water Board for the Project.
6. Findings were made by the State Water Board pursuant to the California Code of Regulations Section 15091.

Records of permit approval are available to the general public upon request at the State Water Board, DDW office listed above. The environmental documents are available from the Lead Agency.
