SUBJECT: REQUEST TO ADD SUPPLEMENTAL DOCUMENTS TO NOTICE OF PREPARATION POSTING (SCH NUMBER 2025040375) – MODIFICATIONS TO THE PROGRAM TIMBERLAND ENVIRONMENTAL IMPACT REPORT (PTEIR)

Dear State Clearinghouse Representative,

The California Department of Forestry and Fire Protection (CAL FIRE) posted the Notice of Preparation (NOP) to the State Clearinghouse via CEQA Submit on April 7th, 2025, announcing the preparation of the Hearst Forests Subsequent CAL FIRE Program Timberland Environmental Impact Report. CAL FIRE has additional supplemental documents that, while not required, we would like to post with the NOP to provide additional information to the public.

As directed in an April 10, 2025, email from a CEQA analyst at the State Clearinghouse, this letter is written to request the addition of the two attached documents; Initial Study for the proposed Hearst Forests Program Timberland Environmental Impact Report (PTEIR) and Notice of Public Scoping Meeting Regarding Revisions to the Hearst Forests Program Timberland Environmental Impact Report (PTEIR).

Should you have any questions regarding this request, please contact Gretchen Woessner, CAL FIRE Environmental Protection Program Supervisor, via email at gretchen.woessner@fire.ca.gov.

Sincerely,
