PHONE NO.: (925) 599-7656

PROJECT LOCATION: Mount Diablo State Park, Contra Costa County

PROJECT DESCRIPTION: A pilot program allowing organized youth mountain bike use on select trails within Mt. Diablo State Park to evaluate safety, user conflicts, and environmental impacts. Use will occur between December and May, consistent with the organized youth riding season. Ground disturbance will be minimal, limited to minor tread work (less than 100') using hand tools, light brushing of vegetation along the trail (less than 500'), and installation of small informational signs at up to 10 trailhead locations (small diameter, no excavation). Work will be done by mountain bike clubs and supervised by park staff. Use will be restricted to designated days and times and confined to approved trails, including one-way segments where applicable, with participation limited to supervised youth groups and certified coaches.

Project level review has been completed and staff has determined that the project is covered under the Mount Diablo State Park Road and Trail Management Plan.

This is to advise that the California Department of Parks and Recreation has approved the above project on April 23, 2026, and has made the following determinations regarding the above described project:

1. The project will not have a significant effect on the environment.
2. A Negative Declaration was prepared for this project, pursuant to the provisions of CEQA.
3. Mitigation measures were not made a condition of the approval of the project.
4. A Mitigation reporting or monitoring plan was not adopted for this project.
5. A Statement of Overriding Considerations was not adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the Negative Declaration, is available to the General Public at the California Department of Parks and Recreation, Diablo Range District, located at 15751 Tesla Road, Livermore, CA 94550.
