STATE OF CALIFORNIA

FISH AND GAME COMMISSION
MEMORANDUM

DATE: December 4, 2025

TO: Office of Planning and Research
State Clearinghouse

FROM: Melissa Miller-Henson, Executive Director

SUBJECT: **Notice of Preparation of a Draft Environmental Document for Waterfowl, Coot and Moorhen Hunting**

The California Fish and Game Commission will be the lead agency and the California Department of Fish and Wildlife may prepare an environmental impact report for the project identified herein. We seek the views of your agency as to the scope and content of the environmental information that is germane to your agency's statutory responsibilities related to the proposed project.

The project description, location, and the potential environmental effects are contained in the attached materials.

Due to the time limits mandated by State law, your response must be sent at the earliest possible date but not later than 30 days after receipt of this notice.

Please send your response to California Department of Fish and Wildlife, Attn: Melanie Weaver, Waterfowl Coordinator, P.O. Box 944209, Sacramento, CA 94244-2090. Include the name and contact information for a contact person in your agency.

Project Title: Waterfowl, Coot and Moorhen Hunting

Project Description: Waterfowl, coot, and moorhen, specifically potential amendments to the current hunting regulations, which may include season and or bag limit changes and closed seasons.

Project Location: Statewide

Potential Environmental Effects of the Project: The project has no significant or potential significant effects, or proposed mitigation measures that would reduce or avoid those effects.

Reference: California Code of Regulations, Title 14, (CEQA Guidelines) Sections 15082(a), 15103, 15375.
