Project Title

RUSSELL BOULEVARD SAFETY PARTNERSHIP, CIP No. ET0037

Project Location – Specific

Various locations Citywide

Project Location -- City Project Location – County

Davis, CA 95618 and 95616 Yolo County

Description of Nature, Purpose, and Beneficiaries of Project

The objective of this project is to install quick-build traffic demonstration projects at various City intersections. Project activities would include a demonstration project at the intersection of Russell Boulevard and Anderson Road/La Rue Road, installation of temporary traffic cameras at various intersections in the City and on the UC Davis campus, and development of a quick-build guideline document.

The demonstration project at the Russell/Anderson/La Rue intersection is located within the existing right-of-way and consists of traffic calming measures to increase pedestrian safety through restriping and adding delineators/pavement markers. No modifications to the concrete or pavement are proposed.
