Project Title: Water Tanks Replacement Project

Project Applicant: Alpine Springs County Water District

Project Location - Specific:
Alpine Meadows in Placer County, California

Project Location - City: Alpine Meadows Project Location - County: Placer

Description of Nature, Purpose and Beneficiaries of Project:

Alpine Springs County Water District proposes to replace three of its existing five water tanks that are located in Alpine Meadows in Placer County, California. The new water tanks would have the same capacity and would be a similar size as the existing tanks. The new tanks would be installed in the same general footprints as the existing tanks, though some of the new tanks may be installed adjacent to the existing tanks if site conditions allow. Additionally, the project may include improvements to the existing natural surface roads that provide access to one of the tanks.
