SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code section 21108

State Clearinghouse Number: 2007072116

Project Title: Laguna Creek Restoration Project (Streambed Alteration Agreement Notification No. 1600-2009-0097-R2) Extension

Project Location (include county): The Project is located in Sacramento County off of Florin Road, south of Sunrise Boulevard; Township 7 North, Range 7 East, Section 6; Latitude 38.493067, Longitude -121.240253 (WGS 84 datum, decimal degrees).

Project Description: The California Department of Fish and Wildlife (CDFW) has extended Streambed Alteration Agreement Notification No. 1600-2009-0097-R2, pursuant to Section 1602 of the Fish and Game Code to the project Applicant, Triangle Rock Products, Inc.

The Project will provide mitigation for the impacts from the mining of the floodplain adjacent to Laguna Creek in Sacramento permitted under a separate Streambed Alteration Agreement Notification No. 1600-2009-0096-R2. The existing creek corridor will be widened and comprise of approximately 43 acres with an average width of 600 feet. This expanded creek corridor will also include approximately 250 feet to be preserved west of the creek, approximately 350 feet to be enhanced east of the creek, and new created emergent wetlands. This Extension of the Agreement expiration from December 31, 2025 to December 31, 2030 will allow for restoration to be completed.

This is to advise that CDFW, acting as a Responsible Agency, executed the above Streambed Alteration Agreement Extension on the date signed below and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the environmental impact report prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).

3. Mitigation measures were made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan was not adopted by CDFW for this project.
5. A statement of overriding considerations was not adopted by CDFW for this project.
6. Findings were made by CDFW pursuant to California Code of Regulations section 15091.

The final environmental impact report prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of execution of the above Streambed Alteration Agreement Extension as Responsible Agency is available at CDFW's regional office.
