NOTICE OF INTENT TO ADOPT A NEGATIVE DECLARATION

The City of Angels is the Lead Agency for and intends to consider adoption of a Negative Declaration pursuant to Section 21092 and 21092.3 of the Public Resources Code and Section 15072 the California Environmental Quality Act (CEQA) for the following project:

Project Title: Greenhouse Gas Reduction Plan (GHGRP) Project

Project Location: City of Angels

Project Description: In 2020, the Calaveras Council of Governments (CCOG), in coordination with Calaveras County and the City, began drafting both the greenhouse gas inventories and a Greenhouse Gas Reduction Plan. The City released the City of Angels Draft Greenhouse Gas Reduction Plan in 2023. The Angels Camp GHGRP includes emissions forecasts for 2030 and 2045 based on the 2018 Greenhouse Gas Inventories. The 2030 and 2045 forecasts cover direct GHG emissions from sources within the boundaries of Angels Camp, including fuel combusted and solid waste generated within the City. The GHGRP also includes Reduction Measures to meet local and State greenhouse gas reduction targets that reflect input from City staff, stakeholders, and community members, and recognize significant contributors to local GHG emissions.

Negative Declaration: A copy of the Negative Declaration, Initial Study, and supporting documents are available for review by contacting the Angels Camp Community Development Department at the address shown below during regular business hours M-Th 8-12 and 1-4 PM and on the City's website at www.angelscamp.gov. Comments on the Initial Study and proposed Negative Declaration should be sent to the address below or by email to planning@angelscamp.gov.
