Project Title: Los Vaqueros Reservoir Expansion Project Environmental Impact Report Addendum #3

Project Applicant: Contra Costa Water District

Project Location (include county): Contra Costa County

Project Description:

CCWD seeks a time extension for water right Permit 20749, which has a completion date of December 31, 2025. Due to slower-than-projected economic growth and increased water conservation since the permit was issued in 1994, CCWD has not yet demonstrated full diversion and beneficial use of the permitted water amounts. On December 15, 2025, CCWD submitted a petition to request additional time to demonstrate full use of the permit, with no other changes to the water right permit.

This is to advise that the Contra Costa Water District has approved the above
