RE: CHEVRON ENVIRONMENTAL MANAGEMENT COMPANY – HAZARDOUS WASTE FACILITY PERMIT RENEWAL (SCH# 1993111001)

To whom it may concern,

The Department of Toxic Substances Control (DTSC) is requesting to withdraw the Chevron Environmental Management Company – Hazardous Waste Facility Permit Renewal (SCH# 1993106193) Notice of Determination (NOD) filing with the OPR on CEQA.net. DTSC prepared an Addendum pursuant to a previously adopted 1993 Initial Study/Negative Declaration (IS/ND) which has the SCH# 1993111001 that was adopted by the filing of a NOD with the SCH# 1993106193. DTSC has generally used the historical NOD filing SCH numbers when the original filing and the NOD have differing SCH numbers. Per LCI guidance, this memo has been prepared to withdraw the filing and resubmit the NOD under SCH# 1993111001 to ensure coverage under the adopted Negative Declaration (SCH# 1993111001) pursuant to CEQA Guidelines §15094(f) and §15162(a).

If you have any questions, please contact me at (916) 255-3629 or via email at Samuel.Porras@dtsc.ca.gov.

Sincerely,

Samuel Porras
Senior Environmental Planner
