***SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code section 21108***

**State Clearinghouse Number:** 2015032096

**Project Title:** California Department of Transportation-District 10 Routine Maintenance Activities (Streambed Alteration Agreement Notification No. 1600-2014-0063-R2) Extension

**Project Location:** The project is located on state highway drainage facilities in the following counties: Alpine, Amador, Calaveras, and San Joaquin.

**Project Description:** The California Department of Fish and Wildlife (CDFW) has executed an extension to the Streambed Alteration Agreement Notification Number 1600-2014-0063-R2, pursuant to section 1602 of the Fish and Game Code to the project Applicant, California Department of Transportation, as represented by Elizabeth Hummel.

The project proposes an extension to the agreement for an additional year to perform routine maintenance activities in unimproved and improved channels on state highway drainage facilities in the counties mentioned above. The project includes the following activities: debris or obstruction removal; beaver dam removal; silt, sand, or sediment removal; vegetation control in channels and banks; repair of previous erosion control work; minor erosion control work; repair of facilities; temporary water diversions; bridge washing; graffiti removal and painting; and geotechnical sampling.

This is to advise that CDFW, acting as a Responsible Agency, executed the above-described Lake and Streambed Alteration Agreement Extension on the date signed below and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.

**Notice of Determination**

2. CDFW considered the negative declaration prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan was not adopted by CDFW for this project.
5. A statement of overriding considerations was not adopted by CDFW for this project.
6. Findings were not made by CDFW pursuant to California Code of Regulations section 15091.

The negative declaration prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of execution of the above Streambed Alteration Agreement Extension as Responsible Agency is available at CDFW's regional office.
