SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code section 21108

State Clearinghouse Number: 2011052028

Project Title: South Main Street and Soda Bay Road Widening and Bike Lanes (Streambed Alteration Agreement EPIMS Notification No. LAK-61069-R2)

Project Location: The project is located in the County of Lake, State of California; Latitude 39.02304, Longitude -122.91445 (WGS 84 datum, decimal degrees); 0.5 miles north of South Main Street intersection with SR 175 to 0.75 miles south, in Lakeport, CA 95453.

Project Description: The California Department of Fish and Wildlife (CDFW) has executed Streambed Alteration Agreement EPIMS Notification Number LAK-61069-R2, pursuant to section 1602 of the Fish and Game Code to the project Applicant, Lake County Department of Public Works.

The project is limited to the widening of the existing roads paved area from 24 feet to 52 feet to add a center tuning lane and bicycle lane. This activity will include alterations to seven culverts: extending one 6 foot by 2 foot reinforced concrete box culvert (RCB) and one 6 foot by 2.5-foot RCB; replacing one 12 inch diameter reinforced concrete pipe (RCP) and one 24 inch diameter RCP; replacing and extending one 12 foot by 4.5 foot RCB and one 18 inch diameter RCP; and relocating one 6 foot by 3 foot RCB. The installation of inlet and outlet end treatments (flared end sections or rock slope protection) and installation or replacement of drainage inlets and concrete headwalls. The project also involves vegetation removal, including the removal of 21 mature riparian trees, infilling existing roadside drainages, establishing new stormwater drainages, and grading for an increase of 3.04 acres of impervious surface along the 1.3 mile long project area.

This is to advise that CDFW, acting as a Responsible Agency, executed the above-described Lake and Streambed Alteration Agreement on the date signed below and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

Docusign Envelope ID: 1F981F6C-5639-4E82-A8FE-48DBC9BC7208

1. The project will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the mitigated negative declaration prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan was not adopted by CDFW for this project.
5. A statement of overriding considerations was not adopted by CDFW for this project.
6. Findings were not made by CDFW pursuant to California Code of Regulations section 15091.

The mitigated negative declaration prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of execution of the above Streambed Alteration Agreement as Responsible Agency is available at CDFW's regional office.
