Subject: Filing of the Notice of Determination in compliance with Section 21108 or 21152 of the Public Resources Code

Project Title: Addendum No. 1 to the Environmental Impact Report (EIR) for the Palm Desert Groundwater Replenishment Project; SCH Number 2017041072

Lead Agency / Project Applicant: Coachella Valley Water District, 75-515 Hovley Lane East, Palm Desert, CA 92211. Contact: Elizabeth Meyerhoff, Environmental Specialist (760) 398-2651

Project Location: City of Palm Desert, Riverside County

Project Description: This addendum analyzes the minor modification related to Phase 2 of the Palm Desert Groundwater Replenishment Facility Project (certified EIR 2018); whereas minor revisions to the original design were required in order to comply with requests from permitting agencies and have been analyzed in this addendum. Design revisions for the project include: 1) relocation of the Mid-Valley Pipeline (MVP) Extension from the channel bed to the channel embankment; and 2) slope lining adjacent to Water Reclamation Plant No. 10 boundaries to protect the MVP Extension and allow low flows exceeding the capacity of the ponds to bypass the facility. These minor project changes have been analyzed under the provisions of CEQA consistent with the original EIR, and have been determined to result in no change to the significance of the impacts from the project

This Notice of Determination is to advise that the Coachella Valley Water District's Board of Directors approved the above described project on November 12, 2019, and has made the following determinations regarding the above described project:

1. The Project will have any significant effect on the environment as explained in the previously certified FEIR.
2. An Environmental Impact Report was prepared and certified for this project pursuant to the provisions of the California Environmental Quality Act (CEQA) and reflects the independent judgement of the Lead Agency.
3. Mitigation measures were made a condition of the approval of the Project.

Notice of Determination (continued)

4. A Mitigation Monitoring and Reporting Program was adopted as part of the Project.
5. A Statement of Overriding Considerations was adopted as part of the Project.
6. Findings of Fact were made pursuant to the provisions of CEQA.

This is to certify that the Addendum No. 1 to the EIR is available to the general public during normal business hours at CVWD's Steve Robbins Administration Building, located at: 75-515 Hovley Lane East, Palm Desert, CA 92211.
