Notice of Comment Period Extension

Draft Environmental Impact Statement for the Proposed Redding Rancheria Fee-to-Trust and Casino Project, Shasta County, California

SUMMARY: This notice advises the public that the Bureau of Indian Affairs (BIA) is extending the comment period for the Draft Environmental Impact Statement (DEIS) in connection with the Redding Rancheria's (Tribe) application requesting that the United States acquire approximately 232 acres of land in trust in Shasta County, California. The proposed fee-to-trust property is located in an unincorporated part of Shasta County, California, approximately 1.6 miles northeast of the existing Redding Rancheria, and about two miles southeast of downtown Redding. The proposed trust property includes seven parcels, bound by Bechelli Lane on the north, private properties to the south, the Sacramento River on the west, and Interstate 5 on the east. The Tribe is proposing to construct a casino resort that includes a casino, hotel, event/convention center, outdoor amphitheater, retail center, and associated parking/infrastructure. The new facility would replace the Tribe's existing casino, and the existing casino buildings would be converted to a different Tribal use. Additional information on the proposed action, alternatives can be found in the DEIS. The EPA published a Notice of Availability in the Federal Register on April 19, 2019, which provided a 45-day comment period, ending on June 3, 2019. *The close of this comment period has been extended by two weeks to June 17, 2019*.

DEIS AVAILABILITY: The DEIS is available for review during regular business hours (8:00AM – 4:30PM) at the BIA Pacific Regional Office, 2800 Cottage Way, Sacramento, California, and the Redding Public Library, 1100 Parkview Avenue, Redding, California. The DEIS is also available online at http://www.reddingeis.com.
