Project Title: East Campus Student Housing Project

Project Applicant: University of California, Santa Barbara

Parties Undertaking Project: University of California, Santa Barbara

Project Location: University of California, Santa Barbara Main Campus

County: Santa Barbara County

Project Description: The East Campus Student Housing project would demolish the existing Santa Rosa Residence Hall and develop approximately 328,000 assignable square feet and 470,200 gross square feet of new residential construction and renovate the existing Ortega Dining Commons. The project would provide approximately 1,688 beds (1,276 new undergraduate student beds in apartment-style units, 412 replacement residence hall beds), and a renovated dining commons facility. As part of the project, Long Range Development Plan Amendment (LRDP) #8 is proposed to increase the applicable LRDP height limit from 65 feet to 85 feet to accommodate two of the project buildings in the north-center of the site. LRDP maps will also be updated to reflect current circulation and parking conditions. This Notice of Determination is to advise that the University of California ☒ Lead Agency has approved the above-described project on November 20, 2025, and has made the following determinations:

1. The Project ☒ would not cause any significant environmental impacts nor an increase in the severity of significant impacts previously studied in the 2010 Long Range Development Plan (LRDP) Environmental Impact Report (EIR).
2. ☒ Addendum No. 6 to the 2010 LRDP EIR was prepared for this project pursuant to the provisions of CEQA.
3. ☒ Mitigation measures from the 2010 LRDP EIR and Addendum No. 6 were made a condition of the approval of the project.
4. The implementation of mitigation measures identified in Addendum No. 6 to the 2010 LRDP EIR will be monitored and reported pursuant to ☒ the 2010 LRDP EIR's Mitigation Monitoring and Reporting Program.
5. Findings ☒ were made pursuant to the provisions of CEQA.

This is to certify that the 2010 LRDP EIR and Addendum No. 6 to the 2010 LRDP EIR and the record of project approval is available to the general public at: <https://bap.ucsb.edu/capital-and-physical-planning/environmental-documents> and also available in person at University of California, Santa Barbara, Office of Campus Planning and Design, 1325 Cheadle Hall, Santa Barbara, CA 93106, Attn: Shari Hammond (805) 893-3796.
