Project Description: Master plan modification to the previously approved Community Design Features and Sustainable Design Features, approved pursuant to Planning Commission Resolution No. 18-3704 within Development District 5 and District 6 North. 1. The project **will not** have a significant effect on the environment.

An Addendum (Addendum No. 16) to a previously certified 2012 Second Supplemental Environmental Impact Report (SSEIR) (SCH No. 2002101020) was prepared pursuant to Section 15164 of the State CEQA Guidelines and concluded that the project will not have any new or more severe significant effects on the environment that were not previously identified in the EIR. The project's effects were analyzed in the 2012 SSEIR and Addendum and all feasible mitigation measures from the EIR have been incorporated into the project approval.
3. New Mitigation measures **were not** made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan **was not** adopted for this project.
5. A Statement of Overriding Considerations **was not** adopted for this project.

Project Location: The project area is located in the central portion of Orange County on the former MCAS El Toro site and consists of City of Irvine Planning Areas (PA) 51, 30, and a portion of 35. The entire project area encompasses approximately 4,806 acres of land. Approximately 4,279 acres of PA 51 are located on unincorporated County of Orange land within the City of Irvine's Sphere of Influence. Approximately 414 acres (PA30 and a portion of PA 51) are within the City limits of Irvine. The Irvine Ranch Water District (IRWD) parcel, located on unincorporated County land, comprise approximately 8 acres (PA35) of the annexation area.

Project Applicant: City of Irvine, One Civic Center Plaza, Irvine, CA 92606

Project Description: The project consists of the following actions: 1) Annexation, General Plan Amendment, Pre-Zoning (prior to annexation) of the unincorporated portion, and Zoning of Planning Area 51; 2) Annexation of the unincorporated portion of Planning Area 35 (the Irvine Ranch Water District Parcel); 3) General Plan Amendment and Zone Change for Planning Area 30, which is presently in the City of Irvine; and 4) Approval of the form of a Development Agreement vesting approval of higher intensity overlay uses in consideration for dedication of land for public purposes and for developing and funding certain infrastructure improvements and maintenance of the public uses and facilities by the purchaser/developer and subsequent landowners. Together, these actions establish the policy and legislative structure to guide the development of the "Orange County Great Park."

The purpose of the project is both to assure that reuse of El Toro is consistent with the intent of Measure W approved by the voters in March 2002, and respond to the decision of the federal government to sell the land at a public auction. The City also wishes to assure a financially viable development consistent with the intent of Measure W with the orderly development of public infrastructure and public open space amenities at no cost to the local taxpayer. Securing local control over land use decisions and the coordination of all infrastructure improvements is essential
