SCH#: 2007072036
Item: 73

Title: San Francisco Bay and Delta Sand Mining Project

Applicants: Martin Marietta Marine Operations, LLC, and Lind Marine, LLC

Location: Approximately 2,601 acres of submerged lands in San Francisco Bay, Marin and San Francisco counties; and 936 acres of submerged lands in Suisun Bay, Solano and Contra Costa counties

Description: Martin Marietta Marine Operations, LLC. (Martin Marietta) (formerly Hanson Marine Operations Inc., a Heidelberg Cement Group affiliate), Lind Marine Inc. (Lind), and Suisun Associates (collectively, the Applicants) hold leases issued by the Commission to harvest sand commercially (sand mining) within the San Francisco Bay-Delta estuary. The Applicants propose to mine a combined volume of 1,630,000 cubic yards per year from Commission parcels and 120,000 cubic yards per year from private parcels in Suisun Bay. The State Lands Commission action is certification of a Final Supplemental Environmental Impact Report, State Clearinghouse No. 2007072036; adoption of a Mitigation Monitoring Program and Statement of Findings; and approval of five 10-year General Lease – Mineral Extraction leases beginning February 9, 2026.

This is to advise that the California State Lands Commission as Lead Agency Responsible Agency, approved the above-described project on February 9, 2026, and made the following determinations regarding the project.

- 1) The project will will not have a significant effect on the environment.
- 2) A Supplemental Environmental Impact Report (SEIR) was prepared pursuant to the provisions of CEQA.
- 3) Mitigation measures were were not made a condition of the approval of the project.
- 4) A mitigation reporting or monitoring plan was was not adopted for this project.

- 5) A Statement of Overriding Considerations was was not adopted for this project.
- 6) Findings were were not made pursuant to the provisions of CEQA.

The SEIR and a Mitigation Monitoring Program prepared for this Project by the California State Lands Commission and certified and adopted, respectively, on February 9, 2026, and the record of project approval, may be examined at the California State Lands Commission office address.
