Project Title: Cold Creek Floodplain Restoration (Streambed Alteration Agreement EPIMS Notification No. NEV-28828 -R2)

Project Location (include county): The project is located at Cold Creek, a tributary of Donner Creek, in the town of Truckee, in the County of Nevada, State of California; Latitude 39.32328, Longitude 120.22756.

Project Description: The California Department of Fish and Wildlife (CDFW) has executed Streambed Alteration Agreement EPIMS Notification Number NEV-28828-R2, pursuant to section 1602 of the Fish and Game Code to the project Applicant, Coldstream Properties, LLC.

The project is limited to restoration of a 1,600-foot segment of Cold Creek that intends to reduce sedimentation from streambank erosion and expand floodplain riparian habitat to improve geomorphic and ecological function. The activities include excavation and grading of the streambank, installation of three in-channel boulder grade control structures and associated sills, installation of floodplain roughness elements (including woody debris and depressions), and revegetating with native plants.

This is to advise that CDFW, acting as a Responsible Agency, executed the above Streambed Alteration Agreement on the date signed below and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the environmental impact report prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were not made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan was not adopted by CDFW for this project.
5. A statement of overriding considerations was not adopted by CDFW for this project.

Notice of Determination

6. Findings were made by CDFW pursuant to California Code of Regulations section 15091.

The final environmental impact report prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of execution of the above Streambed Alteration Agreement as Responsible Agency is available at CDFW's regional office.
