 Economic/Jobs  Public Services/Facilities  Traffic/Circulation  Other: Energy, Greenhouse Gases

**Present Land Use/Zoning/General Plan Designation:**

General/Bulk Cargo Land Use

**Project Description:** (please use a separate page if necessary)

The proposed project consists of various improvements to an existing marine container terminal located at Berths 121-131 in the West Basin of the Los Angeles Harbor. In general, the proposed project would improve the container-handling efficiency and capacity by dredging and disposing of the dredged material, demolishing and reconstructing the wharf at Berths 126-129, relocating existing cranes to Berths 121-125, adding new, larger cranes at Berths 126-129, expanding the on-dock rail, installing electrically-powered, rail-mounted gantry cranes, and issuing a new 30-year entitlement.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.

## Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with an "X".  
If you have already sent your document to the agency please denote that with an "S".
