Project Title: Sunset View Elementary School - Whole Site Modernization Project
Project Applicant: San Diego Unified School District
Project Location (Include County): 4365 Hill St, San Diego, CA 92107, San Diego County

Description of Subsequent Action (Proposed Project): The Sunset View Elementary School Whole Site Modernization project (Proposed Project) includes modernization of existing facilities and construction of a new approximately 7,000 square foot (sf) single story, six classroom building; a new 6,750 sf single story administration building; new shade structure at lunch area; new solar array installation within existing hardscape areas; reconfiguration of old administration space into two new classrooms; light modernization of twelve existing classroom spaces; light modernization of food services and multi-purpose room building; light modernization of the existing library building; minor landscape and irrigation modifications; upgrades to the existing playground area; accessibility and ADA path of travel improvements; and upgrades the existing parking lot to allow for onsite drop off and pick up to improve off-site traffic circulation. The project also includes the removal of all portable classroom buildings. Projected enrollment and capacity would remain unchanged. The maximum depth of excavation for any project phase would not exceed 10 feet and 1,000 cubic yards of excavated material. Construction of the Proposed Project would begin in June of 2026 and last approximately 24 months.

This is to advise that the San Diego Unified School District has approved the above described Subsequent project on: 05/13/2025
Lead or Responsible Agency (Date)

and has made the following determinations regarding the above described subsequent project:

- 1. The Proposed Project is consistent with and within the scope of the Certified Final Environmental Impact Report (Final EIR) for the San Diego Unified School District Capital Improvement Program (SDUSD CIP Program EIR) (SCH# 2019039131).
2. The potential environmental impacts of the Proposed Project, including cumulative impacts, were fully considered in the SDUSD CIP Program EIR.
3. All SDUSD CIP Program EIR mitigation measures applicable to the Project (i.e., all Programmatic Mitigation Measures of the Proposed Project), as identified in the Subsequent Document Environmental Checklist are made a condition of the Proposed Project's approval.
4. The Proposed Project will not result in environmental effects that were not adequately examined in the SDUSD CIP Program EIR. The Proposed Project will incrementally contribute to, but will not substantially increase the severity of, significant environmental impacts previously identified in the SDUSD CIP Program EIR.
5. All potentially significant effects on the environment due to the implementation of the Proposed Project have been eliminated or substantially lessened where feasible through SDUSD CIP Program EIR mitigation measures adopted in connection with the Board's approval of the SDUSD CIP Program EIR and incorporated as part of the Proposed Project.
6. All remaining significant and unavoidable environmental effects of the Proposed Project continue to be acceptable due to the reasons set forth in the SDUSD CIP Program EIR Findings adopted by the Board in connection with its approval of the SDUSD CIP Program EIR Final EIR, and in the Findings adopted by the Board in connection with the approval of the SDUSD CIP Program EIR Final EIR, as referenced and reaffirmed herein.
7. In accordance with Section 15168(c)(2) of the State CEQA Guidelines, none of the circumstances described in Section 15162(a) of the State CEQA Guidelines is present, and no further environmental review or documentation is required for the Proposed Project.

This is to certify that the final EIR with comments and responses, record of project approval, and the subsequent document environmental checklist are available to the General Public at: 4860 Ruffner Street, Annex Room 5, San Diego, CA 92111
