

**Notice of Exemption**

**Appendix E**

**TO:** Office of Land Use and Climate Innovation  
 State Clearinghouse  
 P.O. Box 3044, Room 113  
 Sacramento, CA 95812-3044

**FROM:** Central Valley Flood Protection Board  
 3310 El Camino Avenue, Suite 170  
 Sacramento, CA 95821  
 Angela Nguyen-Tan, (916) 837-3717  
 Angela.Nguyen-Tan@cvflood.ca.gov

**State Clearinghouse Number:** 2019039136

**Project Title:** Permit No. 1157-1—Lookout Slough Tidal Habitat Restoration and Flood Improvement Project

**Project Applicant:** Department of Water Resources

**Project Location:** The pipeline is located approximately 700 feet downstream of Sycamore Slough on the left bank of Haas Slough at mile post 7.24 on Moore Tract at 38.29374 °N, 121.724792 °W, Section 11, T5N, R2E, M.D.B.&M. (Reclamation District No. 2098) Haas Slough, Solano County.

**Project Description:** To authorize the existence of an abandoned pipeline as part of the Lookout Slough Project under Permit 19477 and to approve a "name change" and include conditions that are consistent with current flood control standards and policies of the Central Valley Flood Protection Board. This permit supplements Permit 1157 that was issued to R. F. Moore & Sons on November 25, 1946 to authorize installing a 24 inch diameter welded steel pipe through the levee through the levee on the east bank of the Haas Slough in Section 11, T. 5 N., R. 2 E., M.D.B.&M., Solano County, to serve as a discharge pipe for pumping plant.

**Public Agency Approving Project:** Central Valley Flood Protection Board (Board)

**Agency/Person Carrying Out Project:** Department of Water Resources

**Lead Agency, Contact, Phone Number:** Department of Water Resources, Dan Riordan, (916)802-4427

**Exempt Status:**

- Categorical Exemption. State type and section number: Sec. 15301 Existing Facilities
- Statutory Exemption. State code number: \_\_\_\_\_

**Reasons Why Project is Exempt:**

The Board has determined that the project is exempt from CEQA under the Class 1, Existing Facilities categorical exemption (CEQA California Code of Regulations, Title 14, Section 15301), because the activity consists of the operation, repair, maintenance, permitting, leasing, licensing or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of use. No expansion of existing or former use will occur. Further, none of the exceptions to the exemption in CEQA California Code of Regulations, Title 14, Section 15300.2 apply. Additionally, the Board has determined that an application to change the name of the permittee does not have the potential to result in either a direct physical change in the environment or a reasonably foreseeable indirect physical change in the environment, and thus, is not a "project" for purposes of the California Environmental Quality Act (CEQA Public Resources Code Section 21065; CEQA California Code of Regulations, Title 14, Section 15378(a)).
