Dear Office of Planning and Research:

I am writing to you regarding the Final Environmental Impact Report (EIR) for the Delta Conveyance Project (DCP). Our recent review has highlighted the need for specific updates to ensure the EIR accurately reflects the current status and details of the project.

The updates we need to make are as follows:

- Update to Volume 2, Chapter 2
- Update to Volume 2, Chapter 4, Table 4-4
- Update to Volume 2, Chapter 4, References section

These updates are essential for the completeness and accuracy of the Final EIR. Our team is prepared to provide any additional information or documentation required for this process.

Thank you for your attention to this important matter. We appreciate your support and guidance in ensuring the EIR for the Delta Conveyance Project is up-to-date.

Sincerely,

Marcus L. Yee
