

Chapter 4

Response to Comments Tables

This chapter presents individual comments and responses in a tabular format organized by commenter type in numerical order by letter number. This chapter also provides a list of references cited in the responses to individual public comments.

4.1 Chapter 4 Organization

Response to comment tables in this chapter are provided in the following order and as individual files. Due to their length, some tables have been slit into multiple files. The range of letters included in each file are indicated in the file names.

Please refer to Chapter 2, *Indices of Commenters and Index of Primary Forms*, which provides a list of the comment letter numbers and names and titles of commenters, when provided. Readers and

1 commenters can use the indices in Chapter 2 to identify the letter number or comment numbers
2 associated with the submissions and then find the comments and responses in the comment
3 response tables in this chapter.

4 **4.2 Chapter 4 References Cited**

5 References cited in comment responses are provided at the end of Chapter 4 in a separate file titled
6 Chapter_4_References_Cited. The references are organized by letter number. Not all letters have
7 responses that include citations; therefore, the references include only those letters for which
8 responses included citations.
