Project Location (include county): The project is located on State Route (SR) 70 from post mile (PM) 14.8 to 15.7 in Yuba County.

Project Description: Replace Binney Junction Underpass and Marysville Railroad Underpass and provide 5 lanes on State Route 70 from post miles 14.8 to 15.7 in Yuba County. The project would provide complete streets elements, rehabilitate existing pavement, reduce future traffic congestion, improve operations and safety, and comply with current Caltrans, Union Pacific Railroad, and local agency standards. Specifically, the project, which is a length of 0.9 mile, would add two auxiliary lanes to the existing two travel lanes, a continuous two-way left turn lane, shoulders, sidewalks, a grade separated bicycle lane, and signalized intersections, and the Project would also replace the Marysville Underpass and Binney Junction Underpass, which are two Union Pacific Railroad structures.

This is to advise that the California Transportation Commission has approved the above-described (Lead Agency/ Responsible Agency) project on May 15-16, 2025, and has made the following determinations regarding the above-described project:

1. The project (will/ will not) have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
 A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures (were/ were not) made a condition of the approval of the project.
4. Mitigation reporting or monitoring plan (was/ was not) adopted for this project.
5. A Statement of Overriding Considerations (was/ was not) adopted for this project.
6. Findings (were/ were not) made pursuant to the provisions of CEQA.

The above identified document with comments and responses and record of project approval is available to the General Public at: Caltrans District 3, 703 B Street, Marysville, CA 95901.
