Project Description: The California Department of Transportation, in partnership with the Contra Costa Transportation Authority, is proposing the Interstate 680 Northbound Express Lane Completion Project in Contra Costa County, California. Alternative 2 has been selected as the preferred alternative. Alternative 2 includes the construction of an express lane on northbound Interstate 680 from Livorna Road (postmile R10.7) to State Route 242, with a 2-mile gap in the express lane at the State Route 24 Interchange in Walnut Creek; construction of braided ramps at Treat Boulevard; and conversion of an existing high-occupancy vehicle lane from State Route 242 to north of Arthur Road (postmile 23.1) to an express lane.

This is to advise you that a finding of No Significant Impact (FONSI) has been made for this project by the California Department of Transportation as assigned by the Federal Highway Administration pursuant to 23 USC 327. A copy of the FONSI and the attached Environmental Assessment can be obtained from the California Department of Transportation office located at the above address.
