***SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code section 21108***

**State Clearinghouse Number:** 2020060424

**Project Title:** Yuba City Boat Ramp Sediment Removal (Streambed Alteration Agreement EPIMS Notification No. SUT-58138-R2)

**Project Location (include county):** The project is located at the confluence of the Feather and Yuba Rivers, in the County of Sutter and Yuba, State of California; Latitude 39.13080°, Longitude -121.59863° (WGS 84 datum) Assessor's Parcel Number (APN) 010-260-018.

**Project Description:** The California Department of Fish and Wildlife (CDFW) has executed Streambed Alteration Agreement EPIMS Notification Number SUT-58138-R2, pursuant to section 1602 of the Fish and Game Code to the project Applicant, Sutter Butte Flood Control Agency.

The project is limited to removing sediment that has accumulated at the Yuba City Boat Ramp and the confluence of the Yuba and Feather rivers. The project is divided into two phases and includes the removal of approximately 315,600 cubic yards (cy) of dredged material within an approximately 28-acre area. Phase 1 was completed on October 27, 2021 under EPIMS Notification Number SUT-14558-R2 and included the removal of approximately 65,600 cy of dredged material within an approximately 14.41-acre dredging area. This Agreement covers Phase 2, which includes the removal of an additional approximately 250,000 cy within an approximately 14.40-acre dredging area immediately downstream to further restore fish passage and improve conveyance at the confluence of the Yuba and Feather rivers.

This is to advise that CDFW, acting as a Responsible Agency, executed the above Streambed Alteration Agreement on the date signed below and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.

**Notice of Determination**

2. CDFW considered the environmental impact report prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan was not adopted by CDFW for this project.
5. A statement of overriding considerations was not adopted by CDFW for this project.
6. Findings were made by CDFW pursuant to California Code of Regulations section 15091.

The final environmental impact report prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of execution of the above Streambed Alteration Agreement as Responsible Agency is available at CDFW's regional office.
