Project Title: MUSD Water System Reconstruction Project -Water Supply Permit (Project)

Project Applicant: Mendocino School District

Project Location: 44020 Little Lake Road, City of Mendocino, Mendocino County.

Project Description: The State Water Resources Control Board is issuing subsequent discretionary approval for the project (a water supply permit amendment) and no subsequent environmental review under CEQA is necessary because there have been no changes or new information.

This is to advise that the State Water Resources Control Board (Responsible Agency) has approved the above-described Project on November 26, 2025, and has made the following determinations regarding the above-described Project:

1. The Project will not have a significant effect on the environment. This determination is limited to the effects within the State Water Board's permitting jurisdiction as a Responsible Agency.
2. A Mitigated Negative Declaration was prepared for this Project pursuant to the provisions of CEQA.
3. Mitigation measures were not made a condition of the State Water Board's approval of the Project.
4. A mitigation monitoring and reporting plan/program was not adopted by the State Water Board for the Project.

Records of permit approval are available to the general public upon request at the State Water Board, DDW office listed above. The environmental documents are available from the Lead Agency.
