

PUBLIC NOTICE

Notice of Intent to Adopt Draft Environmental Impact Report/ Environmental Assessment (EIR/EA) and Public Hearing for I-15/SR 78 Managed Lanes Connector and Woodland Interchange Project

WHAT'S BEING PLANNED:

The California Department of Transportation (Caltrans) District 11 is proposing to construct managed lanes on Interstate 15 (I-15) and State Route 78 (SR 78) in the cities of San Marcos and Escondido in San Diego County. The existing I-15 Express Lanes would be extended west on SR 78 for three miles in both directions. Barham Drive and Woodland Parkway Interchange would be reconstructed, and Class I multiuse paths would be added.

WHY THIS AD:

To inform the public, interested parties, and stakeholders that the Draft EIR/EA is available for public comment and to answer questions and receive formal comments that will be part of the official record.

WHAT'S AVAILABLE:

The Draft EIR/EA will be available for review online at bit.ly/I15-SR78ManagedLanes or a copy of the document is available to review at the following locations beginning on May 19, 2025:
