SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code section 21108

State Clearinghouse Number: 2018102058

Project Title: Two Rivers Trail Phase II (Streambed Alteration Agreement EPIMS Notification No. SAC-18909-R2) Amendment #2

Project Location: The project is located at along the American River in the City of Sacramento, in the County of Sacramento, State of California; Latitude 38.589442, Longitude -121.451397, Assessor's Parcel Number 001-0160-005-0000. The project extends from Sutter's Landing Park to the H Street Bridge along the south bank of the American River.

Project Description: The California Department of Fish and Wildlife (CDFW) has executed Amendment #2 to Streambed Alteration Agreement EPIMS Notification Number SAC-18909-R2, pursuant to section 1602 of the Fish and Game Code to the project Applicant, the City of Sacramento.

Amendment #2 changes the Compensatory Measures to allow the Permittee to purchase suitable mitigation credits from a CDFW-approved mitigation bank to substitute for a majority of the restoration efforts required in Measure 3.1. The Permittee has experienced difficulties in restoring the project area and has only managed to restore the 0.07 acres of riparian habitat out of the 0.24 acres required. The remaining 0.17 acres of riparian habitat will be purchased from a mitigation bank.

This is to advise that CDFW, acting as a Responsible Agency, executed the above-described Amendment #2 to the Streambed Alteration Agreement on the date signed below and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the environmental impact report prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).

3. Mitigation measures were made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan was not adopted by CDFW for this project.
5. A statement of overriding considerations was not adopted by CDFW for this project.
6. Findings were made by CDFW pursuant to California Code of Regulations section 15091.

The final environmental impact report prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of execution of the above Streambed Alteration Agreement as Responsible Agency is available at CDFW's regional office.
