Project Title: Case Mountain Post-Fire Restoration and Management

Project Applicant: Tulare County Resource Conservation District

Project Location (include county): Tulare County

Project Description:

The TCRCD proposes to implement various vegetation and fuels treatment activities on approximately 1,100 acres of land over a 10-year period in the Case Mountain area to maintain a forest structure that would decrease the risk for catastrophic wildfire, reduce road hazards associated with dead trees, and promote the survival and growth of giant sequoia stands. The objective of the proposed project is to protect large legacy sequoia trees from high-intensity wildfire, restore a more diverse and resilient forest.

This is to advise that the Tulare County Resource Conservation District has approved the above (Lead Agency or Responsible Agency)

described project on 6/11/2021 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at: 3530 W Orchard Ct, Visalia, CA 93277
