Project Title: East Lathrop Stormwater Master Plan

Project Applicant: City of Lathrop Public Works Department

Project Location (include county): City of Lathrop San Joaquin County

Project Description:

Although never formally adopted, the draft 2006 Storm Drainage Master Plan remains the City's most recent comprehensive storm drainage assessment. The City of Lathrop General Plan Update EIR (SCH #2021100139), certified September 19, 2022, analyzed citywide buildout, including drainage and other infrastructure needs. In 2024, the City began updating its stormwater master planning to address current needs and support sustainable redevelopment in Historic Lathrop. The City found that the resulting East Lathrop Stormwater Master Plan revisions do not increase impact severity, and that the certified EIR's conclusions and mitigation measures remain applicable.

This is to advise that the City of Lathrop _____ has approved the above
