SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code section 21108

State Clearinghouse Number: 2021120109

Project Title: Knights Landing Ridge Cut Erosion Repairs Phase 2 (Streambed Alteration Agreement EPIMS Notification No. YOL-66031-R2)

Project Location: The project is located along the Sacramento River, in the County of Yolo County, State of California; Coordinates; 38.74406, -121.68950 (WGS 84 datum, decimal degrees); Assessor's Parcel Number 056-230-011-000.

Project Description: The California Department of Fish and Wildlife (CDFW) has executed Streambed Alteration Agreement EPIMS Notification Number YOL-66031-R2, pursuant to section 1602 of the Fish and Game Code to the project Applicant, Knights Landing Ridge Drainage District as represented by Meegan Nagy.

The project is limited to bank repair and levee rehabilitation where needed at erosion sites. The objective of the Project is to repair existing eroded areas along the Knights Landing Ridge Cut (KLRC) levees on the east and west banks to arrest or avoid stream bank erosion that threatens the integrity of the KLRC levee system. Phase 2 will import approximately 7,000 cubic yards of rock slope protection. Revegetation would occur with a KLRDD-approved seed mix and vegetation will only be removed to the extent necessary for the erosion repair.

This is to advise that CDFW, acting as a Responsible Agency, executed the above-described Lake and Streambed Alteration Agreement on the date signed below and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

Docusign Envelope ID: 0CF453F3-2DDF-8AE6-8239-5D0541248313

1. The project will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the mitigated negative declaration prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were made as a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan was not adopted by CDFW for this project.
5. A statement of overriding considerations was not adopted by CDFW for this project.
6. Findings were not made by CDFW pursuant to California Code of Regulations section 15091.

The mitigated negative declaration prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of execution of the above Streambed Alteration Agreement as Responsible Agency is available at CDFW's regional office.
