

**Camp Ramah
Major Modification (Case No. PL18-0052) to CUP No. 3048
State Clearinghouse # 2022040478**

Project Description

The applicant requests a Major Modification to CUP No. 3048 for a 30-year term. The CUP boundary will be expanded, and construction of new structures and the legalization of existing structures is proposed, as described below.

CUP Boundary Adjustment

The current CUP boundary will be modified to include APNs 010-0-060-030, 010-0-060-070 and 010-0-070-310, increasing the camp from 83.45 acres to 348 acres (for a total of 431.45 acres). These parcels are undeveloped. APN 010-0-060-030 and APN 010-0-060-070 are vacant open space land with public trails that are part of the United States Los Padres National trail system¹. No structures or vegetation removal is proposed on these parcels. Approximately 1.7 acres on APN 010-0-070-310 will be developed with a new cabin area known as the “Machon Village” (discussed below).

New Structures and Improvements

The following structures and site improvements are proposed:

- Machon Village: The camp expansion includes the construction of “Machon Village,” (10,609 sq. ft.) on approximately 1.7 acres of land to accommodate the existing Machon program. The village would serve as the new location of the existing leadership training program for campers entering the 11th grade. The village would consist of six new cabins, four of the cabins would have a second story, (4,320 sq. ft.) and a central gathering structure (the “Machon”) that includes counselor sleeping quarters, a prep kitchen, meeting spaces, storage, and restrooms (6,289 sq. ft.). Machon Village provides additional space to accommodate existing campers. The village complex will be nestled into the adjacent hillside with stepped retaining walls that vary between six feet and eight feet in height.
- The existing secondary access road located along the western property line would be extended, with a fire access turnaround, to provide emergency vehicle access to Machon Village.
- A new 1,436 sq. ft. reception, meeting, and storage area will be added to the Dining Hall.

- A 240 sq. ft. trellis would be constructed adjacent to the proposed reception area; and,
- The drop off area (adjacent to the existing Dining Hall) would be reconfigured to reduce bus traffic around the Camp.
- The existing driveway to Machon Village will be widened and will result in the removal of four protected Coast Live Oak trees (Tree Nos. 437, 438, 478, and 480) and encroachment into the Tree Protection Zone (TPZ) of four protected Coast Live Oak trees (Tree Nos. 481, 482, 598 and 599) (Attachment 4 Arborist Report and Tree Protection Plan, prepared by Kenneth A. Knight Consulting, LLC., February 7, 2019).

Legalization of Existing Structures:

The applicant requests the legalization of the following unpermitted accessory structures:

- Basketball and Volleyball Courts, located on APN 010-0-110-130, adjacent to the western property line.
- Outdoor sanctuary trellis located on APN 010-0-110-130, adjacent to the existing pool.
- A 1,250 sq. ft. meditation deck and shade structure located on APN 010-0-110-120 adjacent to the reservoir.
- A total of 2,352 sq. ft. of shade structures located adjacent to the Dining Hall on APN 010-0-110-130.

Estimated earthwork includes 1,190 cubic yards of cut and 322 cubic yards of fill, with excess cut being balanced onsite. Table 2 below includes a list of existing structures.

Camp Ramah Youth Summer Camp

Camp Ramah is an American Camp Association (ACA) accredited camp that has been operating onsite since 1969. The Camp Ramah youth summer camp operates for nine weeks (June to August) and consists of one week of training for Counselors/Staff and then two, four week sessions for campers. Within the four-week sessions, there are two 2-week sessions available for campers that need or desire a shorter stay. During the summer months, Camp Ramah hosts 600 - 650 campers over each four week session.² Camp Ramah summer session includes 93 daytime and 255 overnight employees (Camp counselors, kitchen, housekeeping, maintenance, administrative, and security staff, and 6 residents who live on-site). One family visitation day is scheduled per camp session where families are invited to visit the camp during the day only. Camp Ramah youth summer camp is a 24-hour program. Generally, the camp outdoor programs occur between 7:45 a.m. and 9:00 p.m. Sunday through Friday, and between 7:45 a.m. and 10:00 p.m. on Saturdays. One exception to those general hours is an outdoor café-like gathering (Café Ezra) on Thursday nights for staff throughout the summer and hosted by special needs counselors. Café Ezra ends at approximately 11:00 p.m.

Non-Summer Programs and Activities

² In accordance with the Ventura County NCZO Section 8107-17.2.2, the maximum number of overnight guests that could be allowed at Camp Ramah is 942. This number is based on the size of the property.

Camp Ramah hosts approximately 90 programs and activities per year for adult and youth campers. During the non-summer months, Camp Ramah is staffed by 37 daytime employees and two residents who live on-site. The non-summer camp activities generally occur Monday through Sunday from 8:00 a.m. to 10:00 p.m.

Outdoor Amplified Sound and Music

All activities occurring at Camp Ramah may use a hand-held, acoustic speech amplifier to direct campers to programs and locations. Other activities and programs may use microphones and amplified music. Camp Ramah's amplification system will be equipped with an automatic system to limit volume so that noise does not exceed 50 dBA after 7:00 p.m. All amplified equipment will be turned off by 10:00 p.m., except during Café Ezra (which has low level ambient music). Campers and staff may only use outdoor amplification equipment provided by Camp Ramah for both day and nighttime use. The use of amplification equipment would generally occur at the following locations: inside Girl's gazebo for use during summer camp and non-summer camp programs of activities (e.g., dance classes, occasional outdoor dining); at the Tennis Courts (requires sound blankets); Main Dining Room Lawn; amphitheater; and Fire Pit at Boy's Tent Area. Camp Ramah Staff remain on-site and are available for monitoring and to respond to complaints.

Meal Preparation

The majority of meals are prepared and served in the dining hall. However, catering services throughout the year may be provided by food trucks licensed in Ventura County.

Use of Open Space Lots

Passive recreation (i.e., hiking, walking, overnight camping for 20-25 persons, outdoor education, and wildlife viewing) will be confined to the existing trails and fire break trails (see Attachment 3A, Public Recreational Trails Map) on APNs 010-0-060-030, 010-0-060-070, 010-0-070-310 and 010-0-070-030. Supplies and camping equipment are packed in and packed out, including all trash. No campfires are permitted. Portable toilets are brought to the camp sites by a 4x4 quad runner or pickup. No vegetation would be disturbed.

Security and Earthquake/Disaster Procedures

Access to the Camp is restricted by a gate and security kiosk. Security cameras are used throughout the camp to monitor operations and to hinder criminal activity. Adult supervision of youth campers will be provided throughout the year. Camp Ramah maintains a handbook, which includes procedures for the staff to follow to protect the campers and on-site personnel in the event of a disaster. There are warning alarms located in the center of the camp, which are tested monthly during the summer camp program. Security personnel will be provided by Camp Ramah staff as needed.

Access

Access to the project site is available from Fairview Road (a paved public road) to Camp Ramah Road (a paved private road). Non-summer month campers and visitors would be bussed to the project site or arrive in personal vehicles. Summer month campers are bussed in. The on-site parking area and bus drop off point is located more than 100 feet from Fairview Road, south of the softball field.

Water and Wastewater Services

Water service is provided by the Casitas Municipal Water District (CMWD). A Conditional Water Will Serve Letter (dated November 12, 2020) has been provided to extend water service to Machon Village. Wastewater service is provided by the Ojai Valley Sanitary District (OVSD) or the existing camp.

Machon Village will be located on APN 010-0-070-310. This parcel is outside the OVSD Sphere of Influence. To provide wastewater service, OVSD will need to request annexation of approximately 1.7 acres of APN 010-0-070-310 from the Ventura County Local Agency Formation Commission (LAFCo) or negotiate an Out of Area Service Agreement with the Camp.
