Subject: Filing of a Notice of Determination in compliance with Section 21108 or 21152 of the Public Resources Code

State Clearinghouse Number: 2022060549

Project Title: San Ramon 2040 General Plan - Updated Climate Action Plan (CAP) and CEQA Greenhouse Gas (GHG) Emissions Thresholds and Guidance Report

Project Applicant: City of San Ramon (c/o Ryan Driscoll)

Project Location: City of San Ramon, Contra Costa County

Project Description: The updated Climate Action Plan (CAP), including the CEQA Greenhouse Gas (GHG) Emissions Thresholds and Guidance Report, is the City's primary implementation strategy of the San Ramon 2040 General Plan to establish a long-term greenhouse gas emission reduction plan, consistent with State GHG reduction targets for 2030 and 2045.

The Project is consistent with the scope analyzed by the certified San Ramon 2040 General Plan Final Environmental Impact Report (FEIR) (State Clearinghouse No. 2022060549), the adopted Mitigation Monitoring and Reporting Program (MMRP), and related CEQA Findings and Statement of Overriding Considerations associated with City Council Resolution No. 2023-132, in accordance with all requirements of the CEQA of 1970, as amended, and will not result in significant impacts beyond those previously examined and none of the conditions described in Public Resources Code Section 21166 and CEQA Guidelines Section 15162 requiring preparation of a subsequent Environmental Impact Report have occurred.

This is to advise that the City of San Ramon, as the Lead Agency, has approved the above-described project on June 10, 2025 with Resolution No. 2025-073, and has made the following determinations regarding the above described project:

1. The project will not result in significant environmental impacts beyond those previously examined and none of the conditions described in Public Resources Code Section 21166 and CEQA Guidelines Section 15162 requiring preparation of a subsequent Environmental Impact Report have occurred.
2. The project scope is consistent with the scope analyzed by the previously certified San Ramon 2040 General Plan Final Environmental Impact Report (FEIR), pursuant to the provisions of CEQA.
3. The project scope is consistent with the previously adopted Mitigation Measures and Mitigation Monitoring and Reporting Program (MMRP) as considered under the previously certified San Ramon 2040 General Plan Final Environmental Impact Report (FEIR), pursuant to the provisions of CEQA.
4. The project scope is consistent with the previously adopted Statement of Overriding Considerations as considered under the previously certified San Ramon 2040 General Plan Final Environmental Impact Report (FEIR), pursuant to the provisions of CEQA.
5. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval is available to the General Public at the City of San Ramon Community Development Department, 7000 Bollinger Canyon Road, San Ramon, CA 94583 and on the City's website at www.sanramon.ca.gov
