Project Title: Monterey 101 Drainage Improvements Project (Notification No. EPIMS-MON-55137-R4)

Project Location: The Project is located at nine streams along State Route (SR) 101 from Paris Valley Road Overcrossing to Dunbarton Road between highway post mile (PM) R28.23 to 100.3, including the town of San Lucas and the community of Aromas, in Monterey County, California.

Project Description: The Project includes rehabilitating or replacing ailing drainage culverts, creating new drainage inlet and outlet structures, and placing rock slope protection. The Project is part of a larger overall project which includes improving drainage systems and associated elements along SR 101.

This is to advise that CDFW, acting as a Responsible Agency, approved the project described above on 5/23/2025, and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the Mitigated Negative Declaration prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were made a condition of CDFW's approval of the project.
4. A Mitigation Reporting or Monitoring Plan was adopted by CDFW for this project.
5. A Statement of Overriding Considerations was not adopted by CDFW for this project.
6. Findings were not made by CDFW pursuant to California Code of Regulations section 15091.

The Mitigated Negative Declaration prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of project approval as a Responsible Agency is available at CDFW's regional office.
