Project Title: Fire Hazard Mitigation Project #36106003, FEMA-4407-DR-CA, Project #PJ0721

Project Locations – Specific: See attached.

Project Location – City: Unincorporated **Project Location – County:** El Dorado

Description of Project: The proposed project includes removal of roadway vegetation related to potential fire hazards along the specific segment of the County roadway prism. There are no areas designated for staging. The contractor may arrange his or her own staging area with private property owners when necessary. The clearing and vegetation removal activities are limited to the roadway prism. Minor right of way coordination may be required since some roadway segments are under prescriptive rights. Utility relocation is not expected. Short-term lane closures and traffic delays are anticipated during clearing and vegetation removal activities.
