CALIFORNIA
STATE LANDS
COMMISSION

301 East Ocean Boulevard, Suite 350
Long Beach, CA 90802

STATE OF CALIFORNIA
GAVIN NEWSOM, *Governor*

MATTHEW DUMLAO, PhD, *Executive Officer*
Reception: 562.499.6312
TTY: 711

NOTICE OF DETERMINATION
(Public Resources Code section 21108)

File Ref.: W30134
SCH#: 2022100043
Item: 55

Title: Rincon Phase 2 Decommissioning Project

Party: California State Lands Commission

Location: Rincon Island is located approximately 3,000 feet offshore of Punta Gorda in Ventura County. The Onshore Facility is located 1.3 miles to the east and down-coast of Rincon Island at 5750 W. Pacific Coast Highway.

Description: The proposed Project would include removal of Rincon Island's remaining surface structures and remediation of the Island's contaminated soil and interstitial water, improvements to the State Coastal Conservancy parcel adjacent to the Rincon Island causeway landing/abutment, decommissioning of onshore pipeline connections from the causeway abutment to the vault box, and remediation of the onshore facility. The State Lands Commission action is adoption of an Addendum to the Final Environmental Impact Report (EIR) and authorization for the Modified Project as described in the Addendum.

This is to advise that the California State Lands Commission as ☒Lead Agency ☐Responsible Agency, approved the above-described project on November 7, 2025, and made the following determinations regarding the project.

1) The project ☐will ☒will not have a significant effect on the environment.
2) An Addendum to the Final EIR was prepared for this project pursuant to the provisions of CEQA.
3) Mitigation measures ☒were ☐were not made a condition of the approval of the project.
4) A mitigation reporting or monitoring plan ☒was ☐was not adopted for this project.
5) A Statement of Overriding Considerations ☐was ☒was not adopted for this project.
6) Findings ☒were ☐were not made pursuant to the provisions of CEQA.

The Final EIR and a Mitigation Monitoring Program were prepared for this project and certified and adopted, respectively, by the California State Lands Commission on August 29, 2024, as modified by the Addendum to the Final EIR adopted on November 7, 2025. The Final EIR, Addendum, and the record of project approval may be examined at the California State Lands Commission office address.

ALEXANDRA BORACK, Assistant Chief
Division of Environmental Science,
Planning, and Management
