SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code § 21108

State Clearinghouse Number: 2022110240

Project Title: Easley Renewable Energy Project (California Endangered Species Act Incidental Take Permit No. 2081-2024-028-06 (ITP) Amendment No. 2)

Project Location: the Project is located in the central part of the Chuckwalla Valley in Riverside County, approximately two miles north of Interstate 10 and the town of Desert Center, California. The Project is located within the Desert Center, Victory Pass, East of Victory Pass, and Corn Spring 7.5 USGS topographic quadrangles, with the northwest corner of the Project at approximately 33.775386, -115.389987.

Project Description: This proposed project involves a minor amendment to the Project description regarding vegetation removal in the solar array areas of the Project.

The amendment to the ITP will not increase the impacts or mitigation as stated in the original ITP. The Project as authorized will result in permanent impacts to western burrowing owl (*Athene cunicularia hypugaea*) and desert tortoise (*Gopherus agassizii*) and their habitat. The amended ITP referenced above as issued by CDFW authorizes incidental take of species listed under CESA that may occur as a result of Project implementation.

This is to advise that CDFW, acting as the lead agency / a responsible agency] approved the above-described project on July 2, 2025 and made the following determinations regarding the above-described project:

1. The project will / will not] have a significant effect [on the environment (This determination is limited to effects within CDFW's permitting jurisdiction as a responsible agency).
2. An environmental impact report / A negative declaration] was prepared by the lead agency for the original project.
3. Additional mitigation measures were / were not] made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan was / was not] adopted by CDFW for this project.
5. A Statement of Overriding Considerations was / was not] adopted by CDFW for this project.
6. Findings were / were not] made by CDFW pursuant to Public Resources Code § 21081(a).
7. Compliance with the environmental filing fee requirement at Fish and Game Code § 711.4 (check one):
 - Payment is submitted with this notice.
 - A copy of a receipt showing prior payment was submitted to CDFW.

Responsible Agency statement: The EIR prepared by the lead agency for the Project is available to the general public at the office location listed above for the lead agency. CDFW's administrative record of proceedings related to the incidental take permit is available to the public for review at CDFW's regional office.
