Project Title: Wasco Water System Improvement Project- Water Supply Permit Amendment (Project)

Project Applicant: City of Wasco

Project Location: South of Poso Drive and East of Wasco Avenue, within Wasco in Kern County.

Project Description: The Applicant proposes the operation of a 1.5-million-gallon water storage tank they constructed at their existing Well 13 facility.

This is to advise that the State Water Resources Control Board (Responsible Agency) has approved a water supply permit for the above-described Project on June 05, 2026 and has made the following determinations regarding the above-described Project:

1. The Project will not have a significant effect on the water resources. This determination is limited to the effects within the State Water Board's permitting jurisdiction as a Responsible Agency.
2. A Mitigated Negative Declaration was prepared for this Project pursuant to the provisions of CEQA.
3. Mitigation measures were not made a condition of the State Water Board's approval of the Project.
4. A mitigation monitoring and reporting plan/program was not adopted by the State Water Board for the Project.

A record of Project approval is available to the public upon request at the State Water Board, DDW office listed above. The Mitigated Negative Declaration is available from the Lead Agency.
