PROJECT NUMBER: N/A **STATE CLEARINGHOUSE NUMBER:** 2023050148

PROJECT TITLE: Coastal Resilience Master Plan

PROJECT LOCATION: La Jolla Shores, Pacific Beach – Tourmaline Surf Park, Mission Beach, Ocean Beach – Dog Beach, Ocean Beach – Beachfront (Pier), and Sunset Cliffs.

DESCRIPTION OF ACTION: CITY COUNCIL APPROVAL AND ADOPTION of the Coastal Resilience Master Plan (CRMP). The Coastal Resilience Master Plan considers nature-based solution pilot projects for prioritized sites along the City's coastline. The prioritization of nature-based solutions for coastal resilience provides additional resilience, environmental and socio-economic benefits such as enhanced or protected habitat, coastal access, green jobs and environmental education opportunities. The projects identified in the Coastal Resilience Master Plan will mitigate risk from sea level rise and provide benefits to communities, such as habitat protection, water quality improvements, flood storage and recreation opportunities. The projects also consider ways to enhance access to the coast for all community members, such as expanded public transportation to the beach, improved pedestrian and bicycle infrastructure and efficiency enhancements for parking.

Sites were investigated through a multi-criteria analysis that considered community, resilience, economic, and ecosystem benefits. The multi-criteria analysis helped to identify locations most viable for a nature-based concept, narrowing from an initial eleven sites down to six. The eleven sites initially considered included: Torrey Pines State Beach – Los Peñasquitos Lagoon, Black's Beach, La Jolla Shores, Marine Street Beach, Windansea Beach, Pacific Beach – Tourmaline Surf Park, Mission Beach, Ocean Beach – Dog Beach, Ocean Beach – Beachfront (Pier), Sunset Cliffs, and the Naval Training Center Park. The six sites selected for the Coastal Resilience Master Plan include La Jolla Shores, Pacific Beach – Tourmaline Surf Park, Mission Beach, Ocean Beach – Dog Beach, Ocean Beach – Beachfront (Pier), and Sunset Cliffs.

Implementation requires City Council approval and adoption of the Coastal Resilience Master Plan (CRMP), certification of the Final Program Environmental Impact Report, and adoption of the Findings, Statement of Overriding Considerations, and Mitigation, Monitoring, and Reporting Program for the project.

PROJECT APPLICANT: City of San Diego City Planning Department, 202 C Street, MS 413, San Diego, CA 92101. Contact: Julia Chase, Program Manager. Email: ChaseJ@sandiego.gov Phone: (619) 236-6057.

This is to advise that the City of San Diego City Council on September 9, 2025 approved the above described action and made the following determinations: R-316414

1. The project in its approved form _X_ will ___will not have a significant effect on the environment.

2. A Program Environmental Impact Report was prepared for this project and certified pursuant to the provisions of CEQA.

3. Mitigation measures were made a condition of the approval of the project and a Mitigation, Monitoring and Reporting Program was adopted for the project.

4. Findings were made pursuant to CEQA Guidelines Section 15091.

5. A Statement of Overriding Considerations was adopted for this project.

6. A record of project approval may be examined at the address below.

It is hereby certified that the final Program Environmental Impact Report, including comments and responses, is available to the general public for review on the City's CEQA website at https://www.sandiego.gov/ceqa/final and at the office of the City Planning Department located at 202 C St, MS 413, San Diego, CA 92101.
