Subject: Submittal of Errata to Fenton Parkway Bridge Project EIR, SCH No.
2023050534

To Whom It May Concern:

Enclosed please find an Errata to the EIR for the Fenton Parkway Bridge Project, which I kindly request be posted on the project CEQAnet page with other posted documents. No removal or replacement of documents already posted on the webpage is requested. The Errata contains minor clarifications and revisions made in response to comments on the Final EIR received by SDSU from the City of San Diego, a Responsible Agency under CEQA for this project. The requested clarifications and revisions are summarized below:

- Chapter 2, Project Description: Revisions to Requested Project Approvals to more accurately reflect City processes and to amend a mapped City storm drain easement.
- Chapter 3.7, Greenhouse Gas Emissions, and 3.15, Utilities and Service Systems: Add the City's Construction Waste Management Program to the Relevant Plans, Policies, and Ordinances discussions
- Chapter 3.9, Hydrology and Water Quality: Expand the list of Inspections, Maintenance, Monitoring, and Sampling best management practices in Impact Analysis. Implement minor corrections to the discussion of required compliance with City Stormwater Department Letter of Map Revision/Conditional Letter of Map Revision (C/LOMR) processes applicable to construction within a floodplain.
- Chapter 3.16, Wildfire and Chapter 2, Executive Summary: Add a parenthetical citation to mitigation measure MM-WF-1, Pre-Construction Requirements, listing applicable regulatory guidance: Fire Safety Plans, Requirements for Wildland Urban Interface Areas, Fire Safety During Construction and Demolition, and Fire Safety Guidance sections of the California Fire Code.

As stated in the Errata, the revisions merely clarify, and do not affect, the analysis or conclusions of the Final EIR. As none of the conditions outlined in Section 15088.5(a) of the CEQA Guidelines have occurred, recirculation is not required.

Please do not hesitate to contact me with any questions at (562) 951-4161 or acollins-doeohne@calstate.edu.

Sincerely,

A handwritten signature in black ink that reads "Anne Collins-Doehne". The signature is written in a cursive, flowing style.
