Subject: Changes to SCH Number 2023050606

Mr. Arriaga,

The City of Watsonville requests that the attached appendices (A-H) be added as attachments to project number SCH 2023050606 for the 100 Manabe Ow Road Industrial Project MND. These appendices were not included with the IS/MND document that was originally submitted because the file was too large. Please let me know if you need any additional information.

Thanks,
