Project Applicant: City of Reedley

Project Title: Wells 12, 13, and 14 Granular Activated Carbon (GAC) Treatment (Project)

Project Address: The Well 12 facility is between 11th Street and N. East Ave (36.600030,

Project County: Fresno

Project Description:

The Applicant proposes to operate three GAC treatment systems they installed at three existing well facilities, Well Nos. 12, 13, and 14, to remove 1, 2, 3-Trichloropropane (1,2,3-TCP) from the domestic water supply.

Public Agency Approving the Project: State Water Resources Control Board (State Water Board)

This is to advise that the State Water Board has issued a Water Supply Permit Amendment for the described project on 09/08/2023. A record of approval for the Project is available to the general public at the State Water Board, Division of Drinking Water District Office noted above.

Exemption Status:

Categorical Exemption(s)

Class 1: California Code of Regulations, title 14, division 6, chapter 3, article 19, section 15301

Reason why project is exempt:

The Project is exempt because it is the operation of an existing public utility involving the addition of health protection devices to be used in conjunction with the existing wells. None of the exceptions listed in section 15300.2 of the CEQA Guidelines would apply to the proposed Project.
