This project is exempt as it addresses a declared emergency. California, including Nevada County was struck by storm disasters starting on February 21, 2023. On March 1, 2023, Governor Newsom proclaimed a state of emergency to support disaster response and relief in counties impacted by severe winter storms, including Nevada County. On April 3, 2023, President Biden declared a major disaster, "California Severe Winter Storms, Straight-line Winds, Flooding, Landslides, and Mudslides (DR-4699)." County of Nevada was added to the list of impacted counties on June 30, 2023. To reduce the risk of wildfire in the aftermath of the declared emergency (2023 Winter Storm) this project will maintain and restore property impacted by downed hazardous vegetation and vegetative debris. As such, the project falls under a Categorical Exemption per Section 15269(a) - Emergency Projects.
