Los Angeles, California 90012

Subject: Filing of Notice of Determination in compliance with Section 21108 of the Public Resources Code.

Project Title: Garvey Reservoir Rehabilitation Project

State Clearinghouse Number	Lead Agency/Applicant Contact Person	Area Code/Telephone/Extension
2024010394	The Metropolitan Water District of Southern California Michelle Morrison	(213) 217-7906

Project Location (include county):

The Garvey Reservoir is located at 1061 South Orange Avenue in Monterey Park, within Los Angeles County.

Project Description:

The Metropolitan Water District of Southern California (Metropolitan) prepared an Environmental Impact Report (EIR) for rehabilitation of the Garvey Reservoir in compliance with the California Environmental Quality Act (CEQA) and the CEQA Guidelines. The Project involves various upgrades, replacements, and improvements to Metropolitan facilities located at Garvey Reservoir, including but not limited to, the reservoir floating cover and liner, the inlet/outlet tower, the junction structure, the facility electrical system, the existing standby generator, telemetry equipment associated with the surge tank, the Administration Building and Water Quality Control Laboratory as well as construction of a new pump station facility, and various site improvements. Project construction activities would occur between 2025 and 2027, and 2034 and 2035. Operations and maintenance activities at the Garvey Reservoir would remain similar to existing conditions once construction activities are completed with the exception of an increase in electricity use for pump station operation.

This is to advise that The Metropolitan Water District of Southern California as a Lead Agency under CEQA has approved the above-described project on 11/19/24 and has adopted the following determinations:

1. The project [☒ will ☐ will not] have a significant effect on the environment.
2. ☒ Environmental Impact Report was prepared and adopted for this project pursuant to the provisions of CEQA.
3. Mitigation measures [☒ were ☐ were not] made a condition of the approval of the project.
4. A Mitigation Monitoring Report or Monitoring Plan [☒ was ☐ was not] adopted for this project.
5. A State of Overriding Considerations [☐ was ☒ was not] made a condition of the approval of the project.
6. Findings [☒ were ☐ were not] made pursuant to the provisions of CEQA.

This Environmental Impact Report is on file at Metropolitan's headquarters at 700 North Alameda Street, Los Angeles, CA 90012.
