Project Title:
Kings Beach Pier Relocation and Recreation Improvements Grant

State Clearinghouse Number:	***Contact Person:***	***Telephone Number:***
2015122056	Chris Mertens	(530) 307-9235

Project Location:
The improvements designed under this grant will be located on the eastern portion of the Kings Beach State Recreation Area (KBSRA). KBSRA is located in downtown Kings Beach on the north shore of Lake Tahoe in Placer County. KBSRA includes approximately 1,000 feet of Lake Tahoe shoreline and approximately 13.9 acres of beach and upland area owned by the California Department of Parks and Recreation (DPR) and the California Tahoe Conservancy (Conservancy). The improvements will occur entirely on land owned by the DPR. (Exhibit A)

Project Description:
The Conservancy will provide funding to the DPR to complete final design and permitting for a portion of the KBSRA General Plan Revision and Kings Beach Pier Rebuild Project (DPR Project), which includes construction of several onshore and pier-related improvements. The improvements include relocating and rebuilding the pier, installing a ramp for non-motorized watercraft to access the Lake, creating new picnic sites, building a visitor contact facility, enhancing vehicular circulation and parking, and improving public access.

This is to advise that the Conservancy, acting as a responsible agency, approved the above described project on June 25, 2020 (Agenda Item 6) and made the following determinations:

1. The improvements will not have a significant effect on the environment.

2. The DPR, as lead agency, prepared an Environmental Impact Report/Environmental Impact Study (EIR/EIS) for the DPR Project and the California State Park and Recreation Commission certified it on October 19, 2018. The EIR/EIS and record of project approval is available on the DPR's website at https://www.parks.ca.gov/?page_id=30110. The Conservancy considered the EIR/EIS prepared by the DPR prior to the approval of the grant.

3. Mitigation measures were a condition of the approval of the grant by the Conservancy.

4. The Conservancy adopted a mitigation monitoring and reporting program.

5. The Conservancy did not adopt a statement of overriding considerations for the improvements.

6. Findings were made pursuant to section 15091 of the California Environmental Quality Act Guidelines.

Fish and Wildlife Fees: DPR paid the California Department of Fish and Wildlife Environmental Filing Fee for the DPR Project. This notice includes a copy of the receipt.

NOTICE

Each project applicant shall remit to the county clerk the environmental filing fee before or at the time of filing a Notice of Determination (Pub. Resources Code, § 21152; Fish & G. Code, § 711.4, subdivision (d); Cal. Code Regs., tit. 14, § 753.5). Without the appropriate fee, statutory or categorical exemption, or a valid No Effect Determination issued by the California Department of Fish and Wildlife (CDFW), the Notice of Determination is not operative, vested, or final, and shall not be accepted by the county clerk.

COUNTY DOCUMENTARY HANDLING FEE

The county clerk may charge a documentary handling fee of fifty dollars ($50) per filing in addition to the environmental filing fee (Fish & G. Code, § 711.4, subd. (e); Cal. Code Regs., tit. 14, § 753.5, subd. (g)(1)). A county board of supervisors shall have the authority to increase or decrease the fee or charge, that is otherwise authorized to be levied by another provision of law, in the amount reasonably necessary to recover the cost of providing any product or service or the cost of enforcing any regulation for which the fee or charge is levied (Gov. Code, § 54985, subd. (a)).

COLLECTION PROCEDURES FOR COUNTY GOVERNMENTS

Filing Notice of Determination (NOD):

- ☐ Collect environmental filing fee or copy of previously issued cash receipt. *(Do not collect fee if project applicant presents a No Effect Determination signed by CDFW. An additional fee is required for each separate environmental document. An addendum is not considered a separate environmental document. Checks should be made payable to the county.)*
- ☐ Issue cash receipt to project applicant.
- ☐ Attach copy of cash receipt and, if applicable, previously issued cash receipt, to NOD.

If the project applicant presents a **No Effect Determination** signed by CDFW, also:

- ☐ Attach No Effect Determination to NOD *(no environmental filing fee is due)*.

Filing Notice of Exemption (NOE) *(Statutorily or categorically exempt project (Cal. Code Regs., tit. 14, §§ 15260-15285, 15300-15333))*

- ☐ Issue cash receipt to project applicant.
- ☐ Attach copy of cash receipt to NOE *(no environmental filing fee is due)*.

Within 30 days after the end of each month in which the environmental filing fees are collected, each county shall summarize and record the amount collected on the monthly State of California Form No. CA25 (TC31) and remit the amount collected to the State Treasurer. Identify the remittance on Form No. CA25 as "Environmental Document Filing Fees" per Fish and Game Code section 711.4.

The county clerk shall mail the following documents to CDFW on a monthly basis:

- ✓ A photocopy of the monthly State of California Form No. CA25 (TC31)
- ✓ CDFW/ASB copies of all cash receipts (including all voided receipts)
- ✓ A copy of all CDFW No Effect Determinations filed in lieu of fee payment
- ✓ A copy of all NODs filed with the county during the preceding month
- ✓ A list of the name, address and telephone number of all project applicants for which an NOD has been filed. If this information is contained on the cash receipt filed with CDFW under California Code of Regulations, title 14, section 753.5, subdivision (e)(6), no additional information is required.

DOCUMENT RETENTION

The county shall retain two copies of the cash receipt (for lead agency and county clerk) and a copy of all documents described above for at least 12 months.

RECEIPT NUMBER

- # The first two digits automatically populate by making the appropriate selection in the County/State Agency of Filing drop down menu.
- # The next eight digits automatically populate when a date is entered.
- # The last three digits correspond with the sequential order of issuance for each calendar year. For example, the first receipt number issued on January 1 should end in 001. If a county issued 252 receipts for the year ending on December 31, the last receipt number should end in 252. CDFW recommends that counties and state agencies 1) save a local copy of this form, and 2) track receipt numbers on a spreadsheet tabbed by month to ensure accuracy.

DO NOT COMBINE THE ENVIRONMENTAL FEES WITH THE STATE SHARE OF FISH AND WILDLIFE FEES.
