Project Description: (please use a separate page if necessary)

The proposed Terminal Island Maritime Support Facility Project (Project) involves the development and operation of a chassis support facility on an approximately 89-acre site at 740 Terminal Way, San Pedro, CA 90731 at the Port of Los Angeles. The Project would construct and install office trailers, maintenance and repair facilities, chassis stalls, and appurtenant water and electrical infrastructure. The existing vacant Eldridge Street office building (750 Eldridge Street, San Pedro) would also be refurbished to support operations. This document is a Final EIR, which reflects the revised opening and build-out years and updated air quality emissions calculations included in the Partially Revised and Recirculated Draft EIR, as well as responses to comments received on the Draft EIR and Partially Revised and Recirculated Draft EIR.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.

Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with an "X".
If you have already sent your document to the agency please denote that with an "S".
