NOTES:

1. "Baseline" reflects site conditions in 2020, before the J.B. Murphy Field lights were installed in November 2021.
2. "Existing" reflects site conditions currently in effect pursuant to the St. Ignatius-SINA program under Superior Court order. Portable classrooms currently occupy the upper practice field. As a result, St. Ignatius has had to accommodate up to 675 practices on its remaining fields, including Fairmont Field, and other public and private fields in the city and in Daly City through lotteries and rental negotiations.
3. J.B. Murphy Field may accommodate up to 2,800 standing-only spectators; however, this maximum capacity has only been reached during two events since J.B. Murphy Field was constructed in 1969 and is not anticipated to occur again.
4. Per August 21, 2025, email correspondence with St. Ignatius "Flag Football and Rugby do not add additional evenings of light use because their seasons are included in the lights request for football, soccer, and lacrosse."
